**Note to  
Carrier**

**DO NOT LEAVE LOAD UNATTENDED** Must accept and maintain tracking for entire duration of trip for any detention or layover requests to be paid. Must verify BOLs and confirm they match Driver Instructions before leaving shipper and call or email if any changes or issues. Failure to do so waives all carrier rights to renegotiation of rates; any payment increase will be subject to change once delivered. Do not leave trailer unattended at any time while loaded with product.  
**NEED E TRACKS AND 8 STRAPS**

## Load Requirements

- Exclusive use of the trailer is required, and load cannot be run as a partial
- Load cannot go to driver's home or be left unattended

- If a team is booked, there must be 2 drivers in the truck when picking up and for the duration of the shipment
- Must arrive to shipper with full tank of fuel, well-rested, and fresh on hours
- Carrier must view loading/unloading process. Any shortages or damages must be reported immediately to TQL. If not allowed to view loading/unloading, driver must report immediately to TQL
- Must confirm trailer is locked and sealed before leaving shipper site
- Must walk around trailer prior to departing shipper and report any suspicious markings on the trailer to TQL immediately
- Upon leaving the shipper, must drive 250 miles prior to making first stop. (For loads less than 250 miles, must drive straight through, no stops)
- When stopped, trailer doors must be backed up against a wall or pole to prevent unauthorized access to cargo

## Communication Requirements

- At or before the appointment time/within the FCFS window that a driver is checked in to the facility
- 30 minutes before detention time starts
