4 Chains and 4 binders are required for loading.

All drivers must have proper PPE when loading/unloading (hard hat, safety glasses, steel toe boots). Failure to comply with PPE requirements will result in a \$250.00 rate deduction from rate confirmation.

Any changes to pick up or delivery must be verified through this office.

A Clean and signed bill of lading is required for payment.

All units must remain chained, except for the unit being loaded or unloaded at the specific time at the pickup or delivery. This is to avoid any equipment on the trailer from shifting, rolling, sliding, or falling from the deck of the trailer and causing harm to the unit(s) and the person(s) loading or unloading the equipment.

All shipments are time-critical. Failure to meet delivery time listed on rate confirmation will result in a rate deduction!! We must be notified immediately if any issues occur to delay on-time pickup or delivery. We are available 24/7 at (985)-641-8233. Please send back signed rate confirmation with updated insurance policy.
