Carrier warrants that it is duly and legally qualified to provide the transportation services herein and holds at least \$1,000,000 in auto liability and cargo insurance of at least \$100,000. Accessorial charges must be stated above or agreed to in a subsequent signed rate confirmation between Broker and Carrier. Carrier must submit signed carrier confirmation(s) with Carrier's invoice, a legible copy or original proof of delivery. Unauthorized delayed service shall be charged to Carrier, not to exceed the actual charges assessed against Broker for which Carrier's actions are at fault. A minimum charge of \$100 shall apply to missed appointments. Carrier is prohibited from subcontracting this Load to any other Carrier or broker. Broker reserves the right to pay the delivering carrier directly and Carrier named below shall remain primarily liable as provided herein. Carrier shall defend, indemnify and hold harmless Broker, its shipper customer, and the bill of lading parties from any claims, actions or damages, arising out of Carrier's performance hereunder, including damages of any kind asserted against Broker for negligent hiring of Carrier, cargo loss and damage, theft, delay, damage to property, and personal injury or death. Carrier represents it has adequate coverage for towing and any towing invoice in excess of coverage shall be Carrier's sole responsibility. Broker shall be permitted to offset carrier payables for any loss, delay, shortage or damage. Carrier agrees that any loss or damage to customer's food grade cargo shall be considered a total loss. Carrier forfeits its right to be paid in the event Broker's freight is held hostage. Carrier payment terms are net 30 days from the date Broker receives Carrier's invoice, a legible copy or original proof of delivery, matching confirmation(s), and reimbursable receipts. If Fuel Surcharge is not separately stated, then Flat Rate is all inclusive. The Carrier, and any connecting Carrier, shall not receive for transport any freight that shall be excluded from coverage under its primary cargo policy. Delivery and pick-up dates and hours will not require the driver to violate hours of service regulations. Routing instructions are for informational purposes only. Carrier agrees that Broker's charges to its customers are confidential and need not be disclosed to Carrier. Carrier waives any rights it may have under 49 CFR §371.3 or any related or successor law or regulation. Food Safety: Carrier agrees to comply with the terms at: <https://carrterms.modeglobal.com/regulatory/>

Driver must accept FourKites GPS tracking or Macropoint tracking on their mobile phone and keep it active until the load delivers. Failure to do this will result in a deduction of \$150 unless cell service issues are present.
