This confirmation governs the movement of the above-referenced freight as of the specified and hereby amends, is incorporated by reference and becomes a part of the certain transportation contract by and between "Broker" and "Contract carrier". All rates confirmations must be signed prior to pickup. **Carrier Agrees to sign the confirmation and return it to the broker via email. Carrier shall be conclusively presumed and compensatory that the freight would not have been tendered to Carrier at higher rates and that not shipments handled under such rates will subsequently be subject to a later claim for undercharges.** If agreed services are fulfilled, rates are non-negotiable. **No double brokering, consolidating, or railing is approved.** Carrier is responsible to provide status updates from tender to completion of the load. Carrier/Driver is responsible to accept the tracking via the tracking text message sent. If digital tracking is not provided/accepted on this load, Broker reserves the right to deduct payment from previously agreed rate. **Failure to notify Broker that Carrier cannot execute pickup or delivery with 2 hours advance notice from close or pickup appointment time may result in a low rating score or rate deduction charge from the Broker to Carrier. Failure to make delivery appointment or delivery hours on day of delivery may result in a rate reduction. Day(s) delay for delivery will result in rate reduction with the severity dependent on length of delay.
